Schedule and requirements subject to change

All-Embracing is a variation of our 200 hour Yoga Teacher Training for those who prefer a gentle or modified approach to the physical postures.

Learn the essence of the classical postures and how to adapt them to support your own personal practice and the individual abilities of others. This variation is ideal for those who:

- have health challenges
- prefer a gentler approach
- want to teach a modified yoga approach to others

With a special emphasis on making the physical postures more accessible, the overall content of the training is the same as our regular 200 hour program.

You will learn how to use the tools and techniques from all eight limbs of Yoga. Our philosophy is non-dogmatic. We offer a contemporary approach deeply rooted in the ancient wisdom of classical Yoga.

THE EIGHT LIMBS OF YOGA

Yama (social ethics to live in harmony with others)

Niyama (personal ethics to live a balanced life)

Asana (postures to build strength and flexibility so energy can flow freely)

Pranayama (breath control to increase your vital energy)

Pratyahara (internalizing the senses to reduce external stimulation)

Dharana (developing concentration and focus)

Dhyana (sustaining our focus to enter into meditation)

Samadhi (Oneness)

LEARN HOW TO:

- Include all eight limbs of yoga in your practice and teaching
- Understand the energetic effects of asana, pranayama, bandha, meditation and the basic principles of Ayurveda
- Rid ourselves of habitual patterns, create a healthy balanced state and restore energy
- Train the mind to become still and develop self-awareness
- Sequence to emphasize different energetic effects, themes and intentions
- Apply key alignment principles
- Integrate the intelligent use of vinyasa (breath-synchronized movement)
- Understand anatomy of the physical and subtle bodies
- Balance the opposing forces of grounding/lightness; stability/ease; and strength/flexibility
- Introduce sound-based yoga practices such as chanting and simple mantras
- Refine your teaching language to be very clear and specific
- Demonstrate visually to emphasize key actions
- Adjust students manually to reinforce alignment principles in a safe and appropriate way
- Modify for common student issues
- Organize a yoga class to create a supportive environment for transformation
