Limited Financial Aid:

A limited amount of financial aid is available to qualifying families who apply through our designated non-profit company that provides us with an objective financial needs assessment. The report they give determines if a family qualifies for a tuition discount. Please note that all families requesting any type of financial aid MUST submit an online aid application so that results are received back to the POP Office no later than April 30, 2017. Instructions for this process are available through the POP Office. You will be notified of any financial aid awards by the end of May.
