2017 River Falls Days Parade Policy

River Falls Area Chamber of Commerce & Tourism Bureau

Thank you for applying for participation in the River Falls Days Parade. In an effort to make this a pleasant and safe experience for everyone, all participants must read this Policy and agree to abide by it. One representative from your parade unit will be required to sign the Policy Authorization and Agreement which appears at the bottom of the parade registration form.

Staging Area

- **Arrival Time:** A final parade email will be sent to the contact listed on the parade form 1-2 days prior to the parade. You must arrive at the staging area at the time specified in that letter. Late arrivals will be denied participation and parade entry fees will not be refunded.
- **Traffic:** Please be aware that there will be motorized traffic and foot traffic within the same areas. Motorized vehicles should maintain a very low rate of speed and use extreme caution when navigating the staging area. Please take the proper safety precautions to keep this area safe for everyone.

Parade Route

- **Distance Requirements:** Unless safety is an issue, you must maintain a distance of no more than one-half block between you and the parade unit in front of you. If the parade unit in front of you is a school marching band, you may maintain a distance of up to one full block.
- **Judging Area Requirement:** If you are immediately behind a school marching band, you may not proceed into the Judging Area until the marching band has completely exited the area. The Judging Area begins approximately one block before the Review Stand at Second and Elm Streets, and extends approximately one block past it. The Judging Area will be clearly marked.
- **Marching Band Performance Stops:** Bands are the only parade units allowed to make brief performance stops throughout the parade route, not just in the Judging Area. Once each performance has ended, they briefly march at a quicker pace in order to close the gap between them and the unit in front of them. Please make every effort to keep pace with marching bands as they close the gaps after each performance stop.
- **Pace:** You must maintain slow, but steady forward motion throughout the parade route. With the exception of high school marching bands, slowing or stopping will not be allowed, except in cases where safety is an issue, and except in the area immediately in front of the Reviewing Stand. We ask that you cooperate fully with Parade Officials who may ask you to keep moving, or to move faster, at any point during the parade route. The Chamber reserves the right to remove units that are too slow or that repeatedly interrupt the flow of the parade.
- **Excessive Sound/Noise:** Excessively loud horns/music are not allowed anywhere on the parade route. Should your horn, siren, music, etc., be deemed to be too loud at any point along the parade route, you may be asked to lower the volume. If that is not possible, you may be required to discontinue making the noise altogether. Please be considerate of parade spectators in choosing a noise volume. The Chamber reserves the right to remove units that do not make adjustments to sound if requested to do so by Parade Officials.
- **Sound/Noise:** If your parade unit will include a horn, siren, music or amplified sound of any kind, you must include that information on your parade application. This is essential so that you can be placed in an area that will cause the least amount of disruption to school marching bands. **IMPORTANT:** If a school marching band is anywhere in the Judging Area, horns, sirens or loud sounds of any kind are strictly prohibited until the marching band has completely exited the Judging Area.
- **Unit Length Requirements:** The total, maximum length of your parade unit, including vehicles, walkers, floats, trailers, animals, etc., must not exceed 30 feet. All parade units will be limited to two motorized vehicles.
- **Walkers:** Since unit speed must be maintained, walkers must be able to keep up to motorized vehicles/floats. Distributing candy or other give-a-ways must be done in a manner that will not slow the pace of the parade.
- **Water Restriction:** You may use squirt guns, etc., throughout the parade and we ask that participants use their discretion when using them. Spraying water toward the reviewing stand is strictly prohibited, as it presents an electrical hazard.

- This Policy must be made available to all participants in your parade unit.
- All entry fees are non-refundable – no exceptions.
- Unregistered units will not be allowed to participate.
- The parade route will be the same as last year. The route will go south on Main Street to Division Street, turn east onto Division traveling as far as Second Street. Merging south on Second Street, continue past the Judging stand on the west side of the road, to Spring Street. Turning east on Spring Street, parade units will be asked keep moving on Spring Street or turning no sooner than Fourth Street. Staging area remains the same by entering East on Quarry off North Main Street.
- For safety reasons, all parade units are required to complete the entire parade route.
- Categories for judging are: "Best Use of Theme", "Most Humorous Unit", and "Judges' Choice Award". Judges decisions are final.
- Parade lineup will be available at www.rfchamber.com and emailed to parade participants 1-2 days prior to the parade.

We wish everyone a wonderful parade experience, but we do expect everyone to abide by the rules listed in this document. Not adhering to all the rules could prohibit you from being a part of the parade the following year.
