

## **BRINGING HOME A BENGAL KITTEN**

**BRING A SMALL CRATE TO SAFELY CARRY YOUR KITTEN HOME. HAVE A SMALL ROOM PREPARED FOR YOU NEW KITTEN. THIS IS WHERE THE KITTEN WILL BE FOR THE NEXT FIVE TO TEN DAYS UNTIL THE KITTEN IS USED TO YOU AND IT'S NEW ENVIRONMENT. THE KITTEN NEEDS TO BE CONFINED SO IT WILL KNOW WHERE IT'S LITTER BOX, FOOD AND WATER IS. IT IS ALSO A GOOD IDEA TO HAVE SOME SORT OF CAT TREE FOR THE KITTEN TO CLIMB ON AND KNOW THAT THE TREE IS HIS/HERS. THE FOLLOWING ITEMS ARE WHAT WE FEED THE KITTENS AND USE FOR LITTER.**

- 1. USE A TOTE FOR A LITTER BOX. WE USE WOOD PELLETS. THESE CAN BE PURCHASED AT MENARDS.**

- 2. ROYAL CANIN KITTEN 36 FOOD. KEEP THIS AVAILABLE TO THE KITTEN AT ALL TIMES. OF COURSE PLENTY OF FRESH WATER.**

**WE ALSO FEED THE KITTEN A SMALL AMOUNT OF RAW WHOLE GROUND CHICKEN. YOU CAN MIX IN A SMALL PORTION OF CANNED FOOD FOR FLAVORING. THE CHICKEN CAN BE PURCHASED AT WOODIES PET DELI.**
