

Bank of Marin

As a leading business and community bank in the Bay Area, with 20 retail offices in San Francisco, Marin, Napa, Sonoma and Alameda counties, Bank of Marin provides business and personal banking, commercial lending, and wealth management and trust services. Specializing in providing legendary service to its customers and investing in its local communities, the Bank focuses its philanthropic efforts on making a difference in several vital areas including health & human services, education and the arts.

Winner of the San Rafael Chamber of Commerce's 2016 Large Business of the Year Award, Bank of Marin continues its long-standing support of San Rafael businesses with contributions to Canal Alliance and the Whistlestop Mission Plaza Project. They also offer a small business lending program to assist businesses that earn less than \$1 million in annual revenue, as well as a program for the San Rafael dental community, making it easier for young dentists to purchase a practice or update an office.

Bank of Marin employees were also proud to continue their support of the San Rafael community in 2015, with over 250 volunteer hours and service on over 15 nonprofit boards, including the Chamber, MarinSpace, and Whistlestop. As their founder, Bill Murray, was fond of saying, "If we do good, then everybody does better."
