

THIS SUMMER JOIN THE PACIFICS FOR “A FUN NIGHT OUT”

Marin’s Only Professional Sports Team Launches 6th Season

The San Rafael Pacifics, Marin County’s only professional sports team, is now in its sixth season of providing high level minor league baseball action and affordable family fun at downtown San Rafael’s historic Albert Park.

This year the Pacifics will again feature fun and exciting promotions and giveaways, as well as an eclectic concessions menu and, new this year, a great wine partnership with Chronic Cellars. Also, kids will have new activities at the “Kids Zone in Kirby Cove” presented by Marin County Federal Credit Union that will include whiffle ball and mini-golf holes.

A key element to the Pacifics experience has been our commitment to local community organizations. Again, this year we’ll be providing underserved kids with free baseball clinics and lessons from our players, special events at the ballpark to highlight important causes such as breast cancer awareness with our “Bras for the Cause” promotion on Saturday August 12th, and our “K’s for Kids” program sponsored by the Bank of Marin that provides free baseball gloves to kids in need.

It’s all about giving Marin County a fun and exciting reason to come out to Albert Park this summer to catch some quality pro baseball, enjoy some great food and drinks, and simply...to have “A Fun Night Out.”
