The Saratoga County Chamber of Commerce

WE BELIEVE . . . IN OPENING DOORS AND CLOSING DEALS

SEMINAR FOR SALES PROFESSIONALS NOVEMBER 12

The Saratoga County Chamber of Commerce is launching a new annual event geared towards sales professionals and those who drive your economic engine. Most products and services that our members manufacture, distribute or offer would not find their way to the hands of a purchaser, buyer or customer without an effective sales team. The Chamber plans to offer a special workshop for those who sell by opening doors and closing deals at least once a year starting on November 12th. We are launching this new sales focused event in the month of November in the

anticipation that it may help you to close in on year end numbers and set achievable and sales goals for the upcoming year.

During an industry development training, Keith Van Veghten, your Director of Events, met David Aaker. Aaker is an internationally recognized Motivational Keynote Speaker, Trainer and Author on Sales, Customer Service, Marketing and Communication. On Wednesday, November 12, the Saratoga County Chamber of Commerce will feature Mr. Aaker in two, two-hour "Turning Service into Sales" seminars at the Holiday Inn, 232 Broadway, Saratoga Springs. Sessions

will run from 9 to 11 a.m. and 1 to 3 p.m. Mr. Aaker was recently named "Among America's Best Speakers" by Sky Radio on American Airlines, and was featured on 42,000 flights worldwide in May of 2009. He is also a published author in 2 books. "Success Simplified", a new anthology of 24 nationally selected speakers and "50 Unforgettable Speakers", both published by Insight Publishing. His fun, interactive and very informative sessions help sales professionals at any level develop, advance and polish their communication, customer service, sales and leadership skills.

"When I participated in Mr. Aaker's seminar in June of 2014, I immediately thought that he would be a perfect fit to feature as an international speaker for our members", said VanVeghten. "His ability to connect with those in attendance and get them to participate made me realize that what he is teaching is something that can be implemented as soon as you step back into your office. If you are looking to polish your sales and services skills, regardless of your industry, I strongly recommend you join Mr. Aaker on November 12th. I look forward to hearing him speak again to pick up on anything that I may have missed the first time. He is THAT good!"

MEMBER BENEFIT CORNER - ENERGY PROGRAM

The Energy AllianceSM is a member benefit program sponsored by your Chamber of Commerce and more than 20 others throughout New York State. Participating in the Energy Alliance allows you to benefit from the purchasing power of a large group and to cut your electricity and natural gas costs.

If you are a member who is not currently enrolled in this program, we encourage you to consider it. This program has the potential to save you money and is really very simple with absolutely no gimmicks. Even if you are already with an energy supplier, why not use the Chamber program to find out if you're really getting a good price?

Savings for participants can range from modest to sometimes thousands of dollars depending on your account type and usage. It costs absolutely nothing to receive a quote except a few minutes of your time to fill out an authorization form and forward that, along with a copy of your latest utility bill to the Chamber. We will then work with our partner, EnergyNext, Inc. to analyze your bill and provide you with an estimate of possible savings. For more information contact Denise Romeo by calling the Chamber at 584-3255 or via email at dromeo@saratoga.org.
