Steve

Dear Mr. McLellan:

Thank you for your letter of February 25, 2016, regarding the First Ministers' meeting in Vancouver on the economy and climate change.

I applaud Chamber members on their ongoing efforts to reduce their carbon footprint, and appreciate that there are a number of private sector achievements across the province.

Thank you for submitting your views. I can assure you that they will be given careful consideration by our government.

Sincerely,

Brad Wall
Premier

Minister of the Economy
Minister Responsible for Saskatchewan Power Corporation

Honourable Herb Cox
Minister of Environment
