## 2016 Seymour Area Farmers Market Vendor Handbook

### ❖ Our Mission

The mission of the Seymour Area Farmers Market is to promote the exchange of fresh, quality local food and locally produced items between the producers of our area and our residents and visitors for the purpose of supporting local growers, providing a quality product to consumers, and supporting downtown revitalization.

### ❖ Our Goals

Seymour Area Farmers Market is an organization that was founded to pursue the following goals:

- To give local producers a source of income
- To promote the sale of local products
- To make healthy local foods accessible to all, regardless of income
- To improve the health of people in our area by providing educational opportunities for consumers to learn the uses and benefits of fresh, locally grown food
- To enhance the quality of life in our area by providing a social gathering place that fosters a sense of community
- To bolster the use of the downtown Seymour area and increase patronage of downtown businesses

### ❖ The Spirit of the Market

A positive sense of community and cooperation is vital to a successful farmers market. One of the key principles of farmers markets is a direct relationship between producer and consumer. Vendors are encouraged to foster a sense of community and to develop a positive relationship with their customers, fellow vendors and the Market Manager.

### ❖ Market Contact Information

*Market Manager*

TBD

seymour.farmers.market.manager@gmail.com

812-522-3681

*Farmers Market Committee Chair*

Sara Bane

seymourfarmmarket@gmail.com

### ❖ Market Season

Seymour Area Farmers Market will open on the final Saturday in May. The final market of the season will fall on the final Wednesday or Saturday of October, whichever comes last.

Market Hours: Wednesdays from 4-6pm  
Saturdays from 8am-1pm

2016 Transition Plan:

During the 2016 market season, vendors may “drop-in” and sell outside of the advertised market hours. No Sunday sales will be allowed and vendors may make use of the market lot from 7am-7pm, Monday through Saturday. All market rules will still apply to those selling outside of set market hours during the 2016 season and all vendors must be registered in order to sell. Vendors

are encouraged, however, to sell during the advertised Wednesday and Saturday hours. \*For the 2017 market season, the market will NOT be open Monday-Saturday 7am-7pm and vendors may only sell during advertised market hours.

### ❖ Vendor Registration

There is a one-time \$20 annual registration fee (for vendors 18 and up) for the Seymour Area Farmers Market due at the time of registration. Exceptions apply to Rookie vendors.

- *Rookie Vendor (age 17 & under)- \$0 annual registration fee*  
Rookie vendor must have a parent co-sign the vendor agreement. At no time shall an adult connected to the rookie sell under the rookie vendor registration. An adult must be present at market with rookie vendor.

A vendor may register by mail or in person at the market with the Market Manager. Vendors register only themselves to sell their own products. The registration does not provide a vendor the opportunity to sell items produced by persons other than the vendor.

Checks should be made payable to *Greater Seymour Chamber of Commerce* and registration form (pgs. 9-13 of this document only) and check can be mailed to:  
*Chamber of Commerce, 105 S. Chestnut St., Seymour IN 47274*

Registration form and fee (and copies of any appropriate permits) must be received at least two weeks before vendor may sell at the market. This allows time for the Market Manager to process your registration and distribute your market certificate and name tags. **You may not vend on the same day that you register.** Scholarships may be available for hardship cases. Vendors are encouraged to register by April 30th, but registrations will be accepted all season long.

Vendors are strongly encouraged to attend the yearly vendor meeting in the spring in order to register and receive the most up-to-date vendor information and rules.

### ❖ Vendor Requirements

In order to sell at our market, vendors must live within Jackson County or within a 60 mile radius of Seymour, Indiana. Vendors must supply written directions (on vendor registration form) to the property where the products are being grown, collected, created or crafted. These directions will serve as a reference for the Market Manager and/or Market Committee when a site inspection is necessary.

Vendors must produce their own essential product, allow site visits upon request, and post their product-site county at their vendor station. An “essential product” is defined as the part of the product that is produced by the vendor’s labor. Reselling of items is strictly prohibited! The market defines a “resold good” as that essential product that is produced by someone other than the vendor. All products sold at the Seymour Area Farmers Market must be grown or produced by the vendor. “Vendor” is defined as the producer of goods sold and shall include the immediate

family members who assist in the cultivation or production of the same products listed in the vendor application.

Vendors are responsible for complying with all applicable laws, regulations and ordinances (at local, state and federal levels) as related to their particular product(s).

❖ **Market Manager**

The Market Manager works closely with the Farmers Market Committee, Purdue Extension, and the local Health Department to ensure all products sold at the market are of highest quality.

The Market Manager may be a vendor of the Seymour Area Farmers Market. He/she will have authority over the operation of the market and will be supported and assisted by the Farmers Market Committee under the Greater Seymour Chamber of Commerce. The Farmers Market Committee and advisors may resolve any disputes and consider appeals from the decisions of the Market Manager.

❖ **What Can Be Sold**

Vendors will sell only produce grown, products created or services rendered by the vendor. No product offered at the Seymour Area Farmers Market shall be purchased at an auction, wholesaler or retailer. Any vendor found to be buying and re-selling goods will be asked to leave the market permanently.

➤ **Produce**

- Market produce harvested for sale shall not be further processed. No sampling of produce is allowed.

➤ **Meat/Eggs**

- Egg producers must be licensed by the Indiana State Egg Board and provide a copy of the license upon registering. License must be displayed at all times. Eggs must be kept at 45°F or less and used egg cartons may only be used if relabeled with vendor name and address as per ISEB requirements. Original brand labeling and date on carton must be covered.
- Meat producers are required to be registered and/or permitted by the Jackson County Health Department. A copy of registration and/or permit must be provided upon registering to sell at the market. All meat products must be processed in a state or federally inspected facility and labeled according to the State and Local Health Department guidelines. Meat must remain frozen. Poultry processed on farm pursuant to 9 CFR 381.10 is permitted to be sold at the market, but is subject to regulation of the Jackson County Health Department.
- Several restrictions apply to meat and egg sales. For more information on specific regulations, contact the Jackson County Health Department, your local extension office or the boards listed below.

|   |                |
|---|----------------|
| Jackson County Health Department                | (812) 522-6474 |
| Board of Animal Health Meat and Poultry Program | (317) 544-2400 |
| Indiana State Egg Board                         | (765) 494-8510 |

➤ **Honey**

- Honey Vendors must post a visible sign informing customers of the danger of feeding honey to infants and children less than one (1) year of age.

➤ **Mushrooms**

- Mushroom producers must demonstrate proficiency in identification of varieties sold and have proper permits, as may be required by the State of Indiana.

➤ **Baked Goods/Food**

- No products that are created from commercial mixes are allowed unless significantly transformed from the original product. All Home Based Vendors (HBV) products must be labeled as follows:

*“This product is home produced and processed and the production area has not been inspected by the State Department of Health.”* Labels must contain the following: The name and address of the producer, common name of the food product, all ingredients listed as per HEA 1309, net weight and volume, and date on which the product was processed. Prior to preparing food to sell at the market, please review the following information regarding HEA 1309 (The Home Based Vender Rule) which is attached at back of this packet.

<https://ag.purdue.edu/foodsci/Documents/IN-HEA-1309-fact-sheet.pdf>

Sample Label:

(All lettering on label MUST be in at least 10 pt. font)

**Oatmeal Bread**

1 pound loaf

*Made by:* Jane Doe, Jane’s Bountiful Breads, Seymour, IN

*Ingredients:* flour, water, oats, brown sugar, unsalted butter, yeast, cinnamon, salt

*Date prepared:* July 4, 2016

*Note:* This product is home produced and processed and the production area has not been inspected by the State Department of Health.

➤ **Temporary Food Booths**

- Temporary food booths (TFBs) may offer freshly made foods, available for sale for immediate consumption on-site at the market. Temporary food booths *must be permitted by the Jackson County Health Department prior to the event*. Please allow sufficient time for acquisition of permits. All appropriate permits and licenses must be filed with the Market Manager at least two weeks prior to vending at the market. Vendors should use ingredients produced in our local area as much as possible. Further, when selecting Temporary Food Booth vendors, the Market Manager and Market committee are encouraged to allow those vendors providing a good variety of healthy food options.

Space is limited for TFBs. The market will allow up to five (5) temporary food booths on any given market day. Temporary food booth vendors must pre-register sale days with the market manager to ensure availability of space.

➤ **Handicrafts**

- No purchased raw materials or commercially prepared products may be sold, unless *significantly* transformed through handcrafting to create original quality work by the vendor. No items made from kits, reproductions of artwork, or commercially manufactured clothing are permitted. Craft items that involve the consolidation of two or more commercial products do not qualify. The market manager and/or market committee may request pictures or a more detailed description of handicraft products before allowing handicraft artisans to vend at the market.

❖ **Food Safety**

Please refer to Purdue Extension handout for specific food safety regulations. The market manager shall provide a copy for vendors upon request.

<https://www.extension.purdue.edu/extmedia/EC/EC-740.pdf>

Food sampling of baked goods is allowed only if all food safety guidelines are followed and if a proper handwashing station (see above handout for setup of an approved handwashing station) is available at individual vendor's booth. Products such as hand sanitizers are not to be used as replacement for proper handwashing stations.

All goods must be kept off the ground at all times. No contaminated, rotting or infirmed goods may be offered for sale. Produce shall be carefully cleaned.

❖ **Market Pricing**

The Seymour Area Farmers Market prohibits pricing it determines is noncompetitive. Canvassing prices and setting your price below the general market price is prohibited as it is considered in violation of the "spirit of the market." All vendor pricing should be clearly posted in a prominent location.

❖ **Market Labeling**

Organic labeling may only be used at the market if in compliance with all USDA organic labeling regulations. For more information, speak to your Market Manager or visit the USDA website page found here:

<https://www.ams.usda.gov/sites/default/files/media/Organic%20at%20Farmers%20Markets.pdf>

❖ **Market Spaces & Set-Up/Clean-Up**

Vendors must prominently display their Seymour Area Farmers Market Certificate and their "Jackson County Grown" or "Grown in Indiana" signage at their booth. Vendors are asked to

wear their vendor name tags. Vendor prices should be clearly visible to customers. Vendors are expected to bring their own money change and booth supplies such as tables, chairs, tents, displays, etc. Vendors are expected to keep their areas clean and are expected to help clean the market before leaving the market area. Produce waste should NOT be disposed of in city trash receptacles.

Vendors must arrive no later than 30 min before posted market hours (Wed 4-6pm and Saturday 8am-1pm). Late entry or early exit at the market site must be arranged with the Market Manager for everyone's safety. Once barricades are up, no moving vehicles are permitted inside the market area (aside from those customers using handicap parking at the edge of the market lot) without Market Manager approval. Extra vendor vehicles and customer vehicles shall be parked in the Robertson parking lot across the street from the market.

Booth spaces will include one parking spot and the area immediately behind the parking spot. Booth spaces will not be assigned for the 2016 season. Vendors may choose spaces each market day based on a first-come-first-served basis. Vendors should set-up no earlier than one hour before market opening and should have area cleaned and cleared no later than 30 minutes after market closing. 10' x 10' pop-up tents are allowed. Vendors should be mindful of tents in regards to safety, especially on windy days. Vendors are discouraged from using tents that need ropes for assemblage, as a walkway safety concern. Vendors are asked to keep walkways clear so that market shoppers may move safely through the market.

If vendors think they may require additional space for their booths, they should contact the market manager. The market manager will do his/her best to accommodate your needs, but may not be able to meet all requests.

#### ❖ **W.I.C/ISFMNP/SNAP**

The WIC program provides nutrition education and supplemental food to pregnant women, infants and children to age 5. The Indiana Senior Farmers Market Nutrition Programs provide fresh, nutritious, unprepared locally grown fruits, vegetables and herbs from farmers markets, roadside stands and CSAs to low-income seniors. SNAP (Supplemental Nutrition Assistance Program) is a federal nutrition program that helps eligible people stretch their food dollars and receive healthy food options.

Seymour Farmers Market vendors are encouraged to accept all three of the aforementioned program certificates. Applying to be a WIC/ISFMNP/SNAP vendor is easy and your market manager can assist in completion of the forms if necessary.

#### ❖ **Sprout Bucks Program**

Sprout bucks will be distributed to local school children in increments of \$5.00. If you choose to participate in the sprout bucks program, students may use a \$5.00 sprout bucks coupon to buy fresh produce from your booth. Change will not be issued if purchase does not exceed \$5.00. All vendors participating in this program will be reimbursed in cash for redeemed sprout bucks one

week after turning in sprout bucks to the market manager. We highly encourage vendors to participate in this program, as it exposes local students to fresh food options and promotes community use of the market. Sprout bucks may not be used to buy products other than produce.

❖ **Presence of Not-For-Profit Organizations at the Market**

Not-for-profit groups may occupy a space at the Seymour Farmers Market in order to provide information about their mission. These organizations must contact the Market Manager at least one week in advance of the day they plan to be present at the market.

❖ **Miscellaneous**

- **Animals:** The selling of pets or live animals is prohibited. No live animals may be given away. No pets or live animals shall be allowed at the market. Service animals are exempt.
- **Excess produce:** Please contact the Market Manager if you have excess produce that you would like to donate to local food pantries.
- **Vendor Children:** Vendors are responsible for the behavior of their children. Children must be supervised at all times.
- **Music at the Market:** Musicians wishing to perform at the market must make prior arrangements with Market Manager. Volume and content must be appropriate for the market setting. Musicians shall not occupy space that would otherwise be suited for vendor space.
- **Insurance:** Liability insurance is highly recommended for the safety of the vendor. The market cannot cover the vendor's liability for selling their product at the market. If a customer reports a food-borne illness that is officially traced back to a vendor's product, that sole vendor will be held fully responsible.
- **Collection of data:** Vendors must agree to participate in collection of attendance, sales data and pricing. This data may be essential for future grant applications and will help the Market Manager and Farmers Market committee assess the overall growth of the market.

❖ **Donations**

Donations made to the Seymour Area Farmers Market are tax deductible. Receipts for donations may be issued upon request. We will acknowledge significant donors publicly, if the donor would like to be identified. Checks should be made payable to The Chamber Foundation.

## 2016 Seymour Area Farmers Market Vendor Agreement

This vendor agreement helps ensure the Seymour Area Farmers Market will provide the highest quality local products to the public and helps assure that all vendors comply with the same standards. The success of the market relies on the honesty and integrity of each vendor to sustain the spirit of the market. Vendors must accept the following rules to participate in the market and to receive a Seymour Area Farmers Market certificate. "Vendor" shall be defined as the producer of goods sold and shall include the immediate family members who assist in the cultivation or production of the same products listed in the application.

1. Seymour Area Farmers Market vendors must reside within a 60 mile radius of Seymour, Indiana. Vendors must provide detailed directions to the land on which they grow/produce products sold at the market.
2. Vendors register only themselves to sell their own product. This registration does not provide a vendor with the opportunity to sell items produced by persons other than the vendor. Immediate family members may be listed on vendor registration if they intend to sell with the primary vendor. The market reserves the right of inclusion/exclusion on a case-by-case basis.
3. Vendors will sell only product grown, products created, or services rendered by the vendors. Reselling is absolutely prohibited.
4. The Market may request a vendor production site visit. Refusal to host a site visit excludes the vendor from the Market.
5. Vendors under the age of 18 must have parents co-signature on vendor agreement.
6. Vendors under the age of 18 must have a parent or adult 18 or older present in order to sell at the market.
7. Parents/older siblings are prohibited to sell under a rookie vendor agreement.
8. The Market will authorize vendors offering atypical goods or services on a case-by-case basis.
9. No live animals may be sold or given away.
10. Vendors must prominently display their Seymour Area Farmers Market certificate at all times. Vendors are encouraged to wear name tags.
11. Once market hours begin (Wed 4-6pm, Sat 8am-1pm) no moving vehicles (aside from market customers with handicap permit) are permitted inside the market lot unless given direct permission by the Market Manager.
12. Vendors must set-up no later than 30 minutes prior to market opening. Those needing to arrive late or leave early must inform Market Manager in order to maintain the highest level of safety in the market lot.
13. Vendors will maintain their areas during market hours and help clean the market lot before leaving.
14. Vendors are responsible for the behavior of their children. Vendors should not allow their children to disrupt other vendors or customers. Children must be supervised at all times.
15. The Market prohibits pricing it determines is noncompetitive. Vendors must have prices clearly posted.
16. The Market registration does not purchase an assigned space. Circumstances may dictate that a vendor must adjust his or her space. Vendors are asked to be mindful of the space of other vendors around them and should make all efforts to keep walkways clear for safety purposes.
17. Egg producers must be licensed by the Indiana State Egg Board and present a copy of the license when registering to sell at the market. License must be displayed at all times.
18. Bakers/Food handlers must comply with all Jackson County Health Department Guidelines.
19. Vendors are responsible for complying with all applicable laws, regulations and ordinances (at local, state and federal levels) as related to their particular product(s).

20. Vendor will never institute any action of suit of law or in equity against the City of Seymour, Greater Seymour Chamber of Commerce, or any of their agents or employees as a result of operation under this agreement. Vendor shall not aid in the institution or prosecution of any claims for damages, costs, loss of services, expenses, or compensation for or on account of any damages, loss or injury to person or property as a result of operation under this agreement.
21. Vendor agrees to indemnify the City of Seymour, Greater Seymour Chamber of Commerce and any of their agents or employees from any and all liability, loss or damage, which may be incurred as a result of all claims, demands, cost, judgements, or expenses arising from the vendor's participation in the market.

By signing below, you certify that you have read, understand and agree to adhere to all rules and regulations as stated in above vendor agreement and in the 2016 Seymour Area Farmers Market Handbook. You further understand that failure to comply with said guidelines could lead to termination of participation in the Seymour Area Farmers Market.
