

Sunday School Newsletter

Greetings Families!

I can't believe another Sunday School year is almost over. It is such a blessing to be able to share the love of Jesus with your children. Thank you for letting us be part of your child's spiritual journey.

May 21st will be our last day of class. We will make rehab packs for the Maple Grove Fire Department. We are hoping to be able to personally deliver the packs to the fire station up the street. We will let you know when we have more details.

May 7th is Confirmation Sunday and we will not have class. Come and celebrate as Cole and Sam confess their faith and become confirmed members of Shepherd. God's blessings to them both.

We are still looking for help with Sunday School next year and there are also spots on the Education Board. Please see Pastor Tim if you are interested.

Watch the bulletin and your email for more information on VBS.

Have a wonderful summer!

Blessings,

Each pack contains a bottle of water, sports drink, snack bar, protein bar, and a wet wipe. Funds for this project were provided by Thrivent Financial. We will try and deliver the packs personally to the fire station up the street. Watch the bulletin for details!
