

SCPA Company Groups

2017-2018 Season

Important: SCPA Directors are committed to all groups being excellent representation of our Company Program. To ensure this manifests with our vision, dancers may **NOT drop from Director assigned dances. Dancers may add dances that are listed as “Invite”, but we will not compromise groups by allowing dancers to drop from deliberately constructed groupings.**

NO exceptions, NO substitutions!

(If accepting “invite” dances, please let us know by Friday, July 14th.)

SCPA Company Solo/Duo

2017-2018 Season

NOTE: All solo/duo work choreographed by Guest Choreographers (Lacey, Keri, Derrick and Brittany) are to be paid in full at the start of choreography. (This is different than our in-studio choreographers who are paid over a period of time.) Keep in mind, Guest Choreographers are paid for their choreography only, not for the amount of time it takes to complete a solo/duo. Guest Choreographers can complete a solo/duo in two to three hours, depending on how articulate dancers are at retaining material taught. As with our in-house choreographers, rehearsal session need to be booked by dancer's parent. Any in-house faculty can rehearse Guest Choreographer's solo/duo acts, you need only to search availability and book with whomever you prefer to rehearse your dancer. Rehearsal consistency is best for optimum development of material and a polished finish to solo/duos. **Disclaimer:** If dancers forget choreography or are not considered 'event ready' by us Directors, solo/duo work could possibly be dropped or held from competing at event(s) altogether, without refunds for choreography/rehearsal sessions.
