

Oak Creek Tourism Commission Brings New Events to City!

Whether you have lived here two months or 20 years, we hope you would agree that Oak Creek and the Milwaukee area have a lot to offer residents and visitors alike. As we welcome summer back to Wisconsin, we hope you will take advantage of the many new dining, recreation and entertainment options that are available at Drexel Town Square and throughout the City of Oak Creek.

Beginning this year, the City has created a new Tourism Commission to promote Oak Creek as a destination for visitors. Leading the effort is the City's new Destination Marketing Specialist, Kristin Kowaleski. In her role, Kristin will be working with community partners on a number of new events such as movies in the park, as well as returning favorites such as summer concerts and Dog Day at Drexel.

Support of these events is made possible through revenue generated by local tax on hotel stays at properties within the City. By state law, most of this hotel tax revenue must be spent exclusively on tourism promotion and development – no property taxes are used to support these community events.

To learn more about all of the events the City of Oak Creek is planning, please visit oakcreekwi.org/communityevents or follow the Oak Creek event Facebook page at facebook.com/visitoakcreek. If you have questions about upcoming events, ideas for future events, or are interested in becoming a volunteer, please contact Kristin at events@oakcreekwi.org.
