## 2017 TECHNICAL COLLEGE SCHOLARSHIP PROGRAM

### GENERAL OVERVIEW

The Chamber is pleased to announce that, in partnership with Robert Bosch, LLC, we will award two \$500 scholarships to two 2017 graduating seniors from Dorchester County who will attend an accredited two-year technical college in South Carolina.

The Chamber's Workforce Development Division focuses on several areas when deciding on recipients of the scholarships. These areas are:

- **Academics:** We will select a student with **at least a 2.5** out of a 4.0 GPA average, who might not qualify for as much financial aid.
- **Need:** Family income, other family members in college at the same time, and opportunities to receive financial assistance from other sources will be considered.
- **School / Community / Civic involvement:** Sports, band, clubs, volunteer activities through church, or other organizations (Habitat for Humanity, SPCA, hospital, etc.) Is the student helping others?
- **Work Experience:** Summer or part-time jobs, with hours worked and type of work should be a part of the application.
- **College ability:** Applicant must have confirmed SAT and/or ACT test scores, as well as grade point average that is acceptable for admission to a state technical college.

**\*\*\*\*\*APPLICATION DEADLINE IS 5:00 PM, WEDNESDAY, APRIL 19, 2017\*\*\*\*\***
