

**The Greater Summerville/Dorchester County Chamber has launched an affordable targeted marketing opportunity for our valued members!**

Our enhanced website marketing opportunities offer your business a measureable return on your marketing investment. This **member-only** benefit provides a wide range of affordable, cost-effective opportunities to promote your business' goods or services and drive online traffic to your company's website, with options for all member businesses – no matter your business size or budget.

**Only a limited number of spaces are still available!**
