5 Festive Tablescape Ideas for the Holidays

Add a little spice to the traditional holiday table with tips from top designers

Written by Nadia Ahmed

Pop of Color

"A classic and timeless table setting always makes a statement. Keep the base clean with neutral colors (think whites, golds, glass) and a dramatic pop of color using gorgeous deep red roses. The aim is to demonstrate quiet elegance, rich textures and sophistication. There's a natural beauty to simplicity."

Karla Dascal, Founder/Owner, *Karla Events & The Sacred Space Miami*
