Siblings in classes and Class Observation

Parents, siblings and guests are always welcome to observe classes from the lobby. Siblings are not permitted to participate in class activities unless they are enrolled in that class or they use a make-up classes being the same age category as the other children in that class. For safety reasons in parent/child classes parent/child ratio 1:1 is essential.

Responsibilities

We make every reasonable effort to ensure the safety of children in the gym during the class. Parents or guardians are ultimately responsible for seeing the safe entry and exit of their children and while they are in the lobby. The Little Gym is not responsible for lost or stolen items.

Behavioural Issues

If a child is being disruptive, destructive, or dangerous to themselves, other children, or staff members during class or special events, we will make every effort to work with parents and the child in question to resolve this behaviour. If the behaviour persists or other undesired behaviours develop, the child in question will be asked to take a break from the class or event.
