

TLC-400

The TLC-400 program was established in 2012. This fund follows many of the same guidelines of the original trust fund with one main difference. That one difference is the congregation can decide where all of the annual proceeds of the fund would go. The congregation can come forward to the church council with any ideas for the use of the annual proceeds. The best idea is voted on at the annual meeting in January for approval. The goal of the fund is to raise \$10,000 each year. By having 400 members each give \$25 per year, this goal is attainable. Would you please consider making a donation to this fund? Any amount would be greatly appreciated. A possible donation could be for a memorial for someone, in honor of a birthday, or an anniversary.
