## 2016 Plant and Landscape Supply

**WR** Willow River  
COMPANY  
Landscaping & Tree Farm

Welcome...

We pride ourselves on being your full service partner in the green industry. We are committed to excellence in customer satisfaction. Our full scale nursery and tree production offer locally grown products at affordable prices. Thank you for your business.

All of our pricing is subject to change depending upon availability. Please contact us for availability. We do offer volume discounts as well. Contact a sales person for more details.

#### Plant Guarantee

All of our plants have a one year guarantee from the date of purchase. This guarantee covers the plant only. If you wish to have the plant delivered and reinstalled there will be additional charges due.

#### Watering

Most new trees/shrubs need general watering the first weeks/months they are in your yard. It is best to water in the mornings and evenings so the heat of the sun is not a factor. Be careful not to over water. During a dry spell, be sure to deeply water your plant and the surrounding soil once a week.
