Annual Scholarship Golf Tournament makes a difference in lives of area students. Players hit the links at Prestwick Golf Course in early June. The format is played in a scramble, features plenty of events within the tournament, including "longest drive" and "closest to the pin" contest, along with an awards ceremony and a dinner to conclude the evening. The chamber organized the tournament for more than a quarter century ago in memory of Woodbury's first city administrator Jim Lacina, who died in a car accident. The chamber honored his memory by organizing a golf tourney that would raise scholarship money for his children's' post-secondary education. By 1994 the Lacina family no longer needed funds for their children's college education, but the chamber decided to keep the giving spirit alive. The tournament continued and the scholarships were awarded to area high school students on an annual basis. Along with the YMCA receiving scholarship dollars for their youth camp, as well as First Tee of Woodbury. **Mark your calendar for Monday, June 4, 2018!**

The sponsor/host of **Good Morning Woodbury Area**, a before hours networking event, provides coffee and light refreshments for attendees connecting with fellow chamber members on the way to work. This event is held on the first Thursday of each month at the sponsor's place of business.

Join us in sponsoring our **Business After Hours** event held on the third Tuesday of each month. This event features an informal social networking in an after-hours setting. The sponsor selects location, pays for the appetizers and provides a giveaway at the event.

The **Networking Luncheon** provides a great opportunity for members to meet with others over the lunch hour on the fourth Friday of the month. Time is allotted before the meal is served to network with others. Attendees enjoy a lunch while listening to an array of educational and informative topics relative to the workplace and community. The sponsor has the opportunity to distribute promotional material and talk briefly about their organization. The event is held in a banquet setting.
