Deadline for all forms and Costume fee is Saturday, February 18th

Dear Students and Parents,

It's that time again to begin preparations for our annual recital. Participation in this production is NOT MANDATORY! It is your choice to participate. Ticket price per seat: \$18 which includes the online ticket sales service fee. Tickets will be purchased and ordered online. Online ordering information and recital procedures will be released along with the recital show schedule in the coming months. Dance participants will be in the dressing rooms for the entire show they are performing in. Ticket sales pay for the rental of the auditorium and all the other expenses incurred in putting on the production. In order to provide an entertaining production that is not lengthy all classes will perform in just one recital either the 1pm or 4:30pm recital but not both.

Please note: every effort will be made to accommodate siblings and relatives to perform in the same show. However this is not always possible. Students also enrolled in multiple classes, to avoid a lengthy recital, there is no guarantee that all dances will be performed in one show, some routines may be performed in different shows which would mean purchasing additional tickets for multiple shows. However, please be assured that every effort will be made on your behalf to accommodate needs when possible.
