New Year Yoga Retreat

Contact: melbourne@yogaindailylife.org 03 9427 0977 0447 566 587

Thank you for your interest in our New Year Yoga & Meditation Retreat at Otford Valley. This is the 5th year we have run this retreat. It's a really great way to see in the New Year! See some photos from last time [> here](#).

Regain balance, harmony and good health within the beautiful surrounds of the Royal National Park and its Pristine Beaches. Feast on the most delicious meals based on Ayurvedic nutrition. The program will be lead by 4 Yoga in Daily Life instructors, bringing together for you a wholistic and balanced program. Going on a retreat is different to going on a holiday. A retreat is about setting aside time to rest and nourish yourself physically, mentally, socially and spiritually. An opportunity to allow yourself to simply be, to stop running and doing, instead to retreat away from these stresses and relax!

At this retreat we aim to offer a balance of programs themed around balance, wellbeing and creating positive change. The mood will be relaxed and casual and you are welcome to do as much or as little as you like!

The system of Yoga we teach is called *Yoga in Daily Life* which was developed by Paramhans Swami Maheshwarananda (Swamiji), an authentic Yoga Master who hails from a long lineage of great Indian Masters. We hope you will gain an insight into the essence of Yoga and find the inspiration to practice it regularly. Regular practice of Yoga & Meditation most definitely helps in achieving quality and purpose of life.
