

How to series: **Book Term Courses online**

To book and online course you will need a YTGS online account. You can create one by visiting yogatogo.com.au or by reading and following the “How to Create your online account”

Why do it

Secure your place early before the class fills up and save time when you arrive for your first class.

If you are booked in prior to the class we can notify you of any scheduling changes.

How to do it

1. Log-in using your email/ password
2. Register for the course
Select the **Register from this Date Forward** button
Then click the blue “Enrol” button
3. Pay for your course
Follow the prompts to complete your payment
4. Check your schedule
Click on the My schedule tab - you should see your complete term.

Tips

If your booking in for multiple term courses or on an unlimited pass for the term, follow the 3 steps above once your payment has been approved you can then go in and register for your other classes.
