This is a perfect camp for future business entrepreneurs, bakers or students looking for some baking and healthy competition.

We'll divide in teams for some healthy competition as each team creates their own homemade donut creations. The last day we'll have local finance, food and marketing experts judge our teams on their finished product. Families are welcome to attend judging!

Campers will spend the mornings at FunderMax Fitness learning the business and finance basics of starting a business. Campers will then be transported to Young Chefs for afternoons full of baking.

This camp includes healthy snacks and lunch each day!
