Scheduled for October 6, 2017 at Salem Covenant Church in New Brighton, MN, our conference tends to attract mental health professionals, business owners, graduate level students, and local pastors. Attendees will be entered into a drawing for a giveaway if they get a signature for visiting your booth during the conference, and all snack breaks draw attendees to vendor booth space so your company's visibility is increased. If you would like to sponsor another portion of the conference, we would be happy to explore other arrangements.

We look forward to connecting with you!
